**Build the best replica of the famous
Red Baron's triplane.**

Artesanía Latina presents the most accurate replica on the market of the Fokker Dr.I, the archifamous Red Baron's triplane. Designed using the latest 3D technology and the knowledge of our model makers team, this model is made of wood and metal, just like the real one.

This kit includes a revolutionary step-by-step multimedia guide with video tutorials and hundreds of colour pictures: building a museum quality kit has never been easier!

Please, visit our website for more info: www.artesanialatina.net.
